**Life Education Van at Airly, Tuesday, 17\textsuperscript{th} May.**

This year, we are all congregating at Airly Primary School to enjoy a day full of activities, in conjunction with the Life Ed. Van. **Parents are asked to deliver their children to Airly on Tuesday, 17\textsuperscript{th} of May by 9.00 a.m.** Bundy staff will not be at Airly until about 8.45 so please consider this when dropping them off. **Pick up time is 2.30.**

A permission form is attached. If anyone needs directions to the Airly Primary school, please visit the office for a mud map.

**Divisional Schools Cross-Country**

Good luck to Hamish, Cody, Hayden, Brooke and Zoe who will all compete at the Divisional Schools Cross Country at Yarram golf course next Monday. Do your best and have fun!

**Head-lice**

Head-lice are still about so please make sure you check your children’s hair regularly. The pesky insects love the warm areas of the head, so check behind the ears and at the back of the neck in particular. You can also help reduce the chance of your child getting head-lice by making sure long hair is tied back. Some suggest that a light spray with water that has a few drops of tea tree oil added may deter them too but make sure your child’s skin isn’t irritated by that. Please treat your child immediately if you find them, and let us know so we can take action.

**Year 7 placement forms**

Thank you for returning the forms promptly.

**Thank you to helpers**

Thank you to Fiona, Shelley, Greer, Kelly, Michelle and our grade 6 people, Mace and Abby for helping out with the Mother’s day stall. We hope all Mums and Grandmas/Nanas had a lovely day and were spoilt.
**Naplan**

Children in grades 3 & 5 have completed the Naplan testing this week. Attached is an information sheet for parents of children in grades 3 & 5 to read. Results will not be known until Term 3. It is quite a different experience for the children so well done to all.

**Laps**

Dennis Huffer was here again today conducting an athletics program with the children.

**Random Rubbish-free Day**

Last week’s random rubbish-free day was on a Wednesday and was won by Mr Begbie’s class again, with a score of 53 %. Well done to all.

**Swimming**

Our first swimming session on Monday went very well and the children were excited. We have had to adjust a few routines to fit in with other schools. We would prefer children not to shower after swimming as there is not enough time. If you child has a medical reason why they need to shower, could you please notify staff. Please ensure your child has a plastic bag or swimming bag to carry their wet clothes home in. We had a few problems with carrying wet items on Monday. Swimming again tomorrow.

**Wellington Network Professional Development Day**

On Monday, 20th of June, the teaching staff will attend a Wellington wide Professional Development Day. This will include teachers from most primary and secondary schools in our Wellington area. The Day is about helping children to develop a positive mind set to stimulate their own learning. A program based on this thinking has been operating in the La Trobe Valley area with great success. We look forward to attending and implementing the thinking and strategies into our School. Unfortunately, the School will be closed on this day.

**Report Writing Day**

A Report Writing Day is planned for Tuesday 14th June. This follows the Queen’s Birthday long weekend. This day will be used to write reports for the children, a process that can take one – one and a half hours per report. We will be using a new program this year so the presentation of reports will be a little different. The day will also be useful for ironing out any issues with the new program.

**Meals-on-wheels**

Meals-on-wheels in Maffra, begins on Monday, 23rd May. Thank you to those parents who have offered to help so far. Please return your green slips if you wish to take part – it’s not too late.

**Viv absent**

I will be away from Wednesday 18th to Monday 23rd as I will be attending a family wedding in Fiji. Poor me!! While I am away, Ms Sharon Frerk and Minga will be in the junior room. Anthony will be Teacher in Charge and is happy to talk to anyone who has questions or queries.
